

# Vicinity Map Livestock Allotments

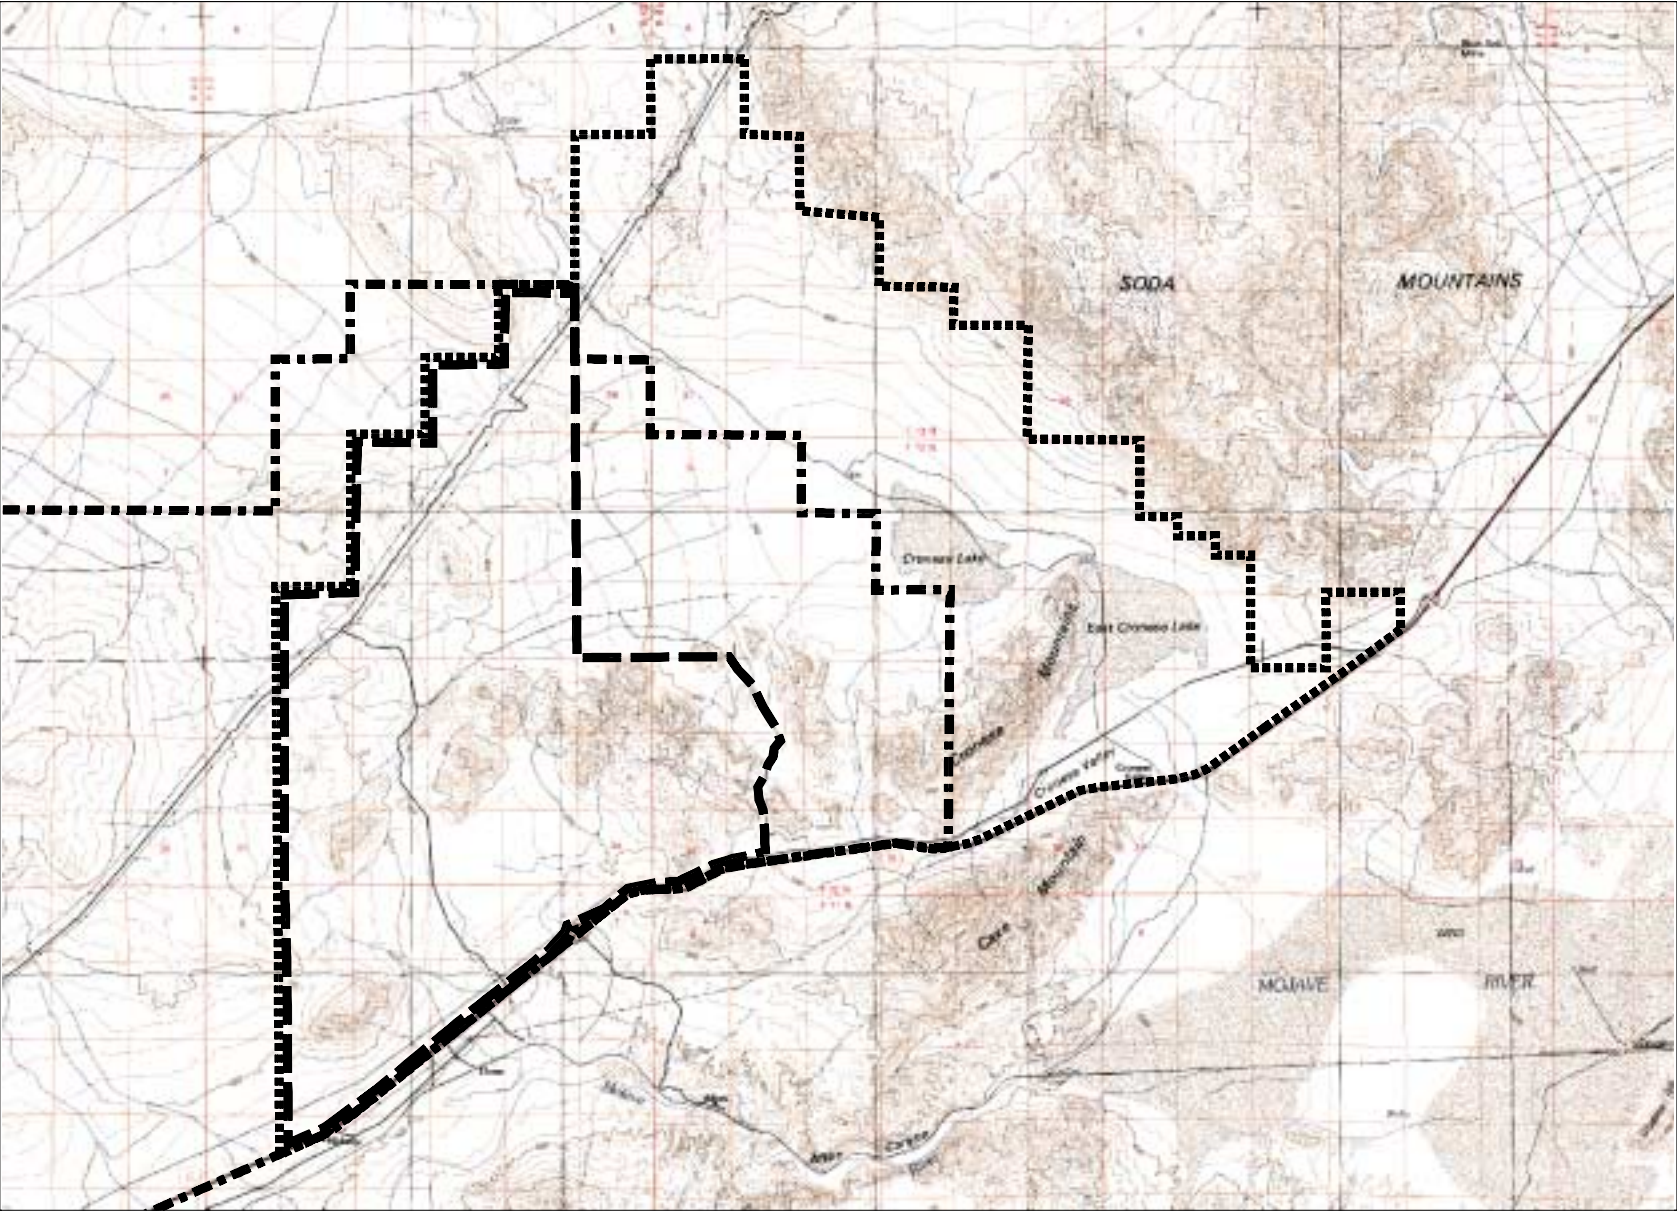

This is a topographic map of the San Juan Mountains region in Colorado. The map features a grid system and contour lines indicating elevation. A prominent thick black dashed line outlines the boundary of the San Juan National Monument. The map shows the San Juan River flowing through the region, with several tributaries. Key geographical features include the San Juan Mountains, the San Juan River, and the town of Durango. The map is oriented with North at the top.
